Status: C = confirmed / E = estimate / ? = unknown

COST ITEM	AMOUNT	STATUS	PAID TO
Government: application			
Government: issuance / other			
Background / income / civil records			
Apostilles / legalization			
Translations / notarization			
Delivery / insurance / other			
Selected Ecuapass service			
Additional agreed scope			
Confirmed subtotal		Estimated additional costs	

Unknown costs / questions to resolve before treating this as a total:

Do not add every Ecuapass service together by default. Compare the scope you need.

Government-fee example: retirement route \$50 + \$270 before applicable reductions.

Fees and category requirements must be reconfirmed for your case. Checked September 20, 2026.

Which work will I own?

Use this page for DIY, a limited review, or managed support. Keep the agreed scope.

03 Assign each responsibility

Write a person or provider, or enter "needs confirmation".

Confirm route and required evidence

Obtain and authenticate personal records

Arrange accepted translations

Check names, dates, scans and missing pages

Prepare and submit the application

Monitor requests and coordinate replies

04 Ask these five questions before paying

- ☐ Which applicant and visa category does the quote cover?
- ☐ What work is included, and when does the service end?
- ☐ Which government and provider charges are separate?
- ☐ What are the limits on corrections, reapplication and appeals?
- ☐ Who is the backup contact if my usual contact is unavailable?

Write one answer or exclusion that changes your decision:

05 Choose one next action

Examples: confirm a requirement, request an itemized quote, or get a written plan.
