4 Questions to resolve before you pay or book

- ☐ Which rule applies to my current category and status?
- ☐ Does my actual travel history meet the rule for my next application?
- ☐ What filing deadline and current documents apply?
- ☐ What work is included, and what fees are separate?

Confirmed next step / person responsible / target date

Three separate questions

Temporary travel permission: check validity and continuing category requirements.

Permanent eligibility: verify continuity across the relevant temporary visa period.

Renewal: confirm the application, updated evidence and deadline for your category.
